

LEADING BRAND FOR 20 YEARS

**Velnet Non-conventional Energy Systems
Private Limited.**

Introduction

About us

- We are a **Leading Bangalore-based** Solar Energy Equipment (Solar Water Heater, Lighting products) manufacturing company for the past 20 years
- We have **technical tie-up with World leaders** in Solar technologies that provide high calorific value Solar windows
- KAMAL is having **manufacturing and Integration** setup for **Solar Thermal systems and PV systems**
- We have **highly qualified trained technicians**
- We are well-known for our **timely delivery & after sales support and service**
- Our mission is to **remain a leader in this space**

Dear Sir,

With reference to your application for renewal of the above mentioned Certification Marks Licence, we are pleased to inform you that it has been renewed from 26/03/2019 to 25/03/2020.

It may please be noted that your licence shall expire at the end of the above mentioned period. You are, therefore, requested to send your application for its renewal at least two months before the expiry of the licence.

The endorsement sheet regarding renewal of licence is enclosed. This may be annexed to the original licence document available with you.

You are also requested to subscribe to our monthly Technical Journal 'Standards India' and also make use to publicise your product through advertisement. The details of the advertisement charges and subscription rates are available in our website www.bis.org.in

Thanking you.

Yours faithfully,

Declaration of Compliance

This Declaration of Compliance is hereby issued to the below named company.

Applicable Directive(s): 2004/108/EC-EMC

In accordance with the following applicable standards:
EN 12977-1:2018, EN 60335-2-21:2003+A2:2008.

General Information

- Applicant** — VELNET NON-CONVENTIONAL ENERGY SYSTEMS PVT. LTD.
No. 192/45, Opp. Govt. School,
Kempahlimanahalli Village, Devanahalli (TQ),
Bangalore - 562110, Karnataka, India.
- Manufacturer** — Same as above.
- Product Name** — Kamal Solar Water Heater
- Trade Mark** — Kamal Solar®

Certificate number: 23181

This certificate is valid from 22-Aug-2019 until 21-Aug-2020.

This Certificate is issued under following conditions:

The product is declared by the applicant as complying with the applicable directives. UR has performed a review of the technical information of the product. The applicant is required to inform UR of any changes to its product design and technical documentation. The CE mark may be used by the applicant, for this product, under the sole responsibility of the applicant.

Why Solar ?

- Green Environment
- Pollution free
- Natural resource
- No cost
- Cleanliness
- Being ahead of the curve
- Sustainability
- Independence
- Reduced dependence on fossil fuels
- Modularity and scalability
- Flexible location

Why Kamal Solar ?

- **Leading Manufacturer with state-of-the-art facilities**
- **A Long History of Best in the industry Service & Support in the Solar Energy World**
- **Continuous Innovation in Quality**
- **Expert Technicians and Team Members In-House**
- **Strong Relationships with Quality Vendors**
- **A thorough understanding of your specific requirement**
- **Best customized solutions**
- **Flexible, Transparent Financing Options**
- **Positive Reviews and Testimonials from Residential and Commercial Customers**
- **Flexible Product designs**
- **Works better even during a cloudy day**
(Our Modern PV technology works well with Infrared light that gets through even more easily because it has longer wavelengths than the visible spectrum does)
